LAKE HOPATCONG, NJ (May 23, 2016) — Lake Hopatcong Foundation, a 501(c)3 non-profit, continues their community outreach support with their latest Job Board project. The Job Board was launched in early March as a way of connecting job seekers with local businesses in the Lake Hopatcong area.

“Since we are in contact with local businesses and individuals in the area, it was a natural fit to link those looking for help with those looking for opportunities,” said Jennifer DeWitt, Assistant Development Director. “We are always happy to make resourceful connections for the community.”

Local businesses interested in posting jobs should visit the Lake Hopatcong Foundation website at <http://www.lakehopatcongfoundation.org/lake-info/job-board/> and fill out the short form. All submissions are reviewed before they are posted on the job opportunities board. Postings are active for a minimum of 30 days and potentially up to 90 days depending on quantity of submissions.

A plethora of categories can be found for individuals seeking jobs which include: Intern, Seasonal, Volunteer, Contract, Part-time and Full-time.
