Lake Hopatcong Block Party to bring lake community together on May 10

LAKE HOPATCONG, N.J. (March 5, 2014) — As the state’s largest lake, Lake Hopatcong serves as a hub of recreation, business, and leisure for residents of northern New Jersey and beyond. It straddles the Morris-Sussex county line and its shores are split among four different towns, but no matter the zip code, people share a love for the lake and a sense of community. To celebrate that connection, the Lake Hopatcong Foundation is aiming to bring together people from all around the lake for an inaugural “Lake Hopatcong Block Party” at Hopatcong State Park in Landing on Saturday, May 10 from 10 a.m. to 5 p.m.

The event will include lake demonstrations, booths for local organizations and businesses, live performances, a children’s area, food trucks, antique and collectible vendors, craft vendors, and more. This block party promises to be an event that celebrates the many facets of Lake Hopatcong and brings a spectrum of its residents and visitors together to rally behind this beautiful natural resource that brings so much enjoyment to so many.

Those interested in being vendors, sponsors or volunteers, should call the event organizer directly at 201-321-2756 or the LHF office at 973-663-2500. Either way, save the date of Saturday, May 10 to enjoy this family-friendly, lake-oriented celebration.

The Lake Hopatcong Foundation is a 501(c)(3) focused on improving the lake environment and experience. On May 10, people from all over the area will have an opportunity to learn more about both at the Lake Hopatcong Foundation’s inaugural Lake Hopatcong Block Party. It will be the start of a new annual tradition on New Jersey’s largest lake.
