The evening is a celebration to enjoy delicious food with 10% of the evening's food and beverage proceeds from 5pm to 10pm being donated back to the Lake Hopatcong Foundation. Contact Glassers Seafood & Steakhouse for reservations (973) 810-3350.

"This is a restaurant with quite a history on the lake. William Glasser established a general store, pavilion and ice house in 1921 and the pavilion was frequently used for dances and other community activities," Development Director Jennifer DeWitt said. "It's apropos that the Lake Hopatcong Foundation would hold a community dinner there today. With a dining room upstairs and a sports bar grill and skee ball downstairs, there's something for everyone to enjoy that night."
